DEAR HKANC MEMBERS & FRIENDS:

Thank you very much for joining us today at the **HKANC Scholarship Foundation Charity Golf Event** at the beautiful Wente Vineyard & Golf.

The generous contributions and continued support of our members and donors are vital – We are grateful for your generosity, your trust, and most importantly, your commitment to our cause.

Help Us Build A Better Future

Since the inception of the program, we have provided more than **\$400,000** to the community colleges and universities located in Northern California for deserving students of outstanding community involvement and academic achievement with financial needs.

Sincerely,

HKANC Scholarship Foundation
& Golf Committee 2021

WE THANK YOU FOR YOUR GENEROSITY!

The HKANC scholarship helped alleviate my family's financial burdens. Thanks to the help of HKANC, I was able to use the scholarship funds to pay for a sizable portion of my tuition fees and buy a laptop computer.

I am a Computer Science major at San Jose State University, and having a fast and efficient computer helped me code my assignments and finish my school work

- Michael Cheung, San Jose State University

I am thankful for your support, and I know that you will continue to help many other students in my position in the years to come and will help others to achieve their career and academic goals in the same manner as you have helped me. Again, I want to give thanks for your contribution to my education and career.

- Sze Wa Cheng, San Francisco State University

During the COVID-19 period, I'm sure everyone is going through a tough time. Meanwhile, my family and I are having economic difficulties supporting our lives and my tuition.

This scholarship award helps a lot to relieve my families and my pressure about tuition. Then, I will have more motivation to study hard in economics. Now, I do not have to spend so much time worrying about my tuition and focus on studying.

**- Oi Sze Low,
San Francisco State
University**

"This scholarship really was the reason why I was able to get good grades and make it on the dean's list. I am so thankful for everything that this scholarship has done for me because I was able to excel and become a person that I've never thought I would become"

- Anna Mai, UC Berkeley

Tournament Rules

TOURNAMENT FORMAT:

4 – GOLFER TEAM | 2 BEST BALL

All four golfers play their **own ball** and card their own individual scores for each hole. Then, the team records the **two best gross scores** to be used as "**Team Score**" for each hole.

SCORING | HOW TO WIN

The two best scores are added up on each hole. At the end of the round, those combined scores are all added up and constitute the total score for that team. **The team with the lowest total will be declared the winner.**

LOST BALLS: if a ball cannot be found, please drop at the nearest point where the ball is deemed to be lost and take a stroke penalty.

IMPORTANT: For speed of play purposes, the maximum allowable scores for each hole are as follows:
